WELCOME TO THE UJIMA CULTURAL CENTER

The Ujima Cultural Center has been the cornerstone of the community since opening its doors in 2005, serving over three hundred youths in the community. The center provides a safe and structured positive learning environment for our young people after school and during most holidays and summer vacation.

The center is an educational center focusing on African American History and Culture, and also focus on all others history and culture. We have educational programs all year long. We partnered with the Quitman School District here in Clarke County to teach the Civil Rights Movement to the students as well as the adults. Everyone is always welcome to center to learn. The Ujima Cultural Center do not discriminate in any fashion. The center is a Faith-based institution! OUR volunteers are our pride and joy. We have no paid staff of any kind!

The center is opened Monday—Thursday from 4:00---6:00pm. (If needed, special hours will be considered, just ask.) Tutoring is also available for a normally fee from K---Senior Citizen).
